

Liquid Nitrogen Container

Manufacturer: Haier Biomedical
Catalog ID: YDS-115-216-F

Model	YDS-115-216
Capacity	115 L
Empty Weight	38.5 kg
Neck Diameter	216 mm
Outer Diameter	681 mm
Height	796 mm
Static Evaporation Loss	0.94 L/d
Static Hold Time	122 d

- **Used advanced powder coating technique avoiding of the traditional shortcoming of paintings› drop.**
- **High-strength aluminum alloy structure.**
- **Multi-layer thermal isolation design.**
- **Protective jacket to prevent collision.**
- **5-years on vacuum warranty.**
- **Optional accessories.**
